

Description

BORE STAIN REMOVER is a liquid gel formulated with surfactants and mild organic acids to help remove bore, iron and rust stains from a wide range of surfaces. Its biodegradable formula penetrates stubborn stains, lifting discolouration with minimal scrubbing to help restore the appearance of tiles, concrete, glass and metal. Easy to apply, simply spread the gel over the affected area, allow it to dwell briefly, then rinse thoroughly for fast, visible results. Suitable for use on bathrooms, driveways, patios and other areas affected by bore water, iron staining or oxidation, BORE STAIN REMOVER is ideal for both residential and commercial applications. Delivering powerful stain-removing performance in an easy-to-use gel formula, it provides a reliable solution for restoring stained surfaces and maintaining a cleaner, brighter finish.

Features & Benefits

- Mild organic acid
- Iron & rust removal
- Biodegradable
- Easy to use
