

ECOKLEEN | SANITISER

Food Safe Sanitiser

Description

Eco Kleen Sanitiser is a concentrated quaternary ammonium sanitiser designed for use on a wide variety of hard surfaces. Diluted with water before use, it can be applied by spray or wipe after heavy soiling has been removed through routine cleaning. Its non-perfumed formulation makes it ideal for food preparation areas, providing effective sanitising without the need for rinsing when used as directed.

Features & Benefits

- Superior germicide
- Final rinse sanitiser
- Hard water tolerant
- Ideal trigger spray application

For Use On

- Food preparation areas
- Restaurants
- Cafe's
- Gyms

Directions for Use

Food Areas: Dilute 1:1000 with water for a ready to use sanitiser
Housekeeping areas: Dilute 1:200 with water for general cleaning
Clean area with an alkaline cleaner first.
Ensure thorough rinsing before use.
Apply as a spray or wipe on and leave in place.
