

Description

Hand Gel Sanitiser is a fast-acting, alcohol-based hand sanitiser containing 70% ethanol. Its hospital strength formula kills 99.99% of germs fast without the need for soap or water. The rinse-free gel dries quickly, leaving hands clean with no sticky residue and a fresh citrus fragrance.

Suitable for frequent use in domestic, commercial and industrial environments, including manufacturing facilities, retail stores, food processing areas and other high-traffic workplaces, Hand Gel Sanitiser is pH neutral and formulated to be gentle on the skin. Ideal for use at workstations, entrances, kitchens and mobile workplaces where convenient hand hygiene is required.

Features & Benefits

Gentle on hands
