

Description

Kool Kleen is a vanilla-fragranced cleaner and sanitiser formulated for use in cool rooms, food storage areas and refrigerated transport vehicles. Its non-tainting formula effectively removes dirt, grime and other food-related soiling while helping maintain clean, sanitised surfaces.

Suitable for use in food storage and handling environments, Kool Kleen also helps control unpleasant odours, leaving a fresh vanilla fragrance after cleaning. It is ideal for commercial kitchens, food processing facilities, cool rooms and refrigerated transport where routine cleaning and sanitising are required.
