

Description

TITAN (LF) is an alkaline based, super strength low foam multipurpose cleaner designed to deliver unparalleled cleaning performance with less foaming across a wide range of applications. This concentrated, water based low foam degreaser effortlessly removes grease, fat, carbon, dirt and grime from kitchen floors, benches, workshop floors, heavy duty machinery, ovens, hotplates and non sensitive hard surfaces. It's versatile low foam formula also functions as an effective spray and wipe solution, making it ideal for commercial kitchens, automotive cleaning, bathroom degreasing and industrial settings. Titan's powerful non fragranced low foam formulation ensures thorough cleaning without leaving residual odours, making it suitable for environments where neutrality is key. Engineered for durability and efficiency, this universal cleaner is the go to solution for professionals seeking a reliable, heavy duty product to maintain spotless surfaces in demanding industries. Choose Titan Low-Foam for unmatched cleaning strength and versatility.
