

Description

White N Fresh is an oxygen-based laundry whitener, brightener and sanitiser formulated to assist with stain removal while helping maintain the appearance of white and coloured fabrics. Suitable for use in front and top loading washing machines, as well as for hand washing, it provides effective cleaning without the use of chlorine bleach.

Its oxygen-based formula helps lift stubborn stains, brighten fabrics and assist with odour control while providing sanitising performance. White N Fresh can also be used as a soaking solution for laundry and cutlery where required. White N Fresh provides an effective solution for whitening, brightening and sanitising a wide range of washable fabrics.

Features & Benefits

Stain remover
Oxygenated formula
Whitener & brightener
Sanitiser

For Use On

All washing machines
Hand washing
Cutlery & crockery soaking

Directions for Use

Soaking: Dissolve 100 grams (4 tablespoons) in 20L of warm water. Always pre-test coloured fabrics to ensure they are colour fast. Avoid soaking metal buttons and zippers for more than 1 hour.

In wash: to promote stain removal and whitening apply 50 grams to detergent dispenser in your washing machine.

Crockery & cutlery soaking: Dilute 50 grams in 5L of warm water soak for up to 2 hours.
